World Environment Day
June, 5

In Bocar Group we join to the celebration of the World Environment Day organized by the UN since 1974. The central theme for this year revolves around the Air Pollution and the call for action to help combat this problem that affects to 9 out of 10 people in the world (WHO).

Our company helps to achieve a better environment through the implementation of improvement to reduce emissions both in facilities and vehicles, where our parts are used and the use of world class standards such as ISO 14001:2015, Clean Industry and CDP (Carbon Disclosure Project).

For more information about World Environment Day and actions to contribute, you can visit the official web site of United Nations.
